The OSP Combi-Cord reduces truck rolls, saves time and promotes productivity by having all of the necessary plug-in's on a one foot cord. Our cords are manufactured to the highest industry standard, proving themselves to be ultra durable. **The OSP Combi-Cord is new to the market and available in eight forms exclusively from Westek.** Westek's OSP Combi-Cord features a 2 year warranty and excellent Westek Customer Service.

Eight Combicords Available:

All Combicords include access clips, a RJ11 Port, and a belt clip to be readily available.
